Beer In Mexico (ARROW 1138) **Vocals by Dean Singleton** Original artist: Kenny Chesney in 2005

OPENER
CIRCLE LEFT
Starin' out into the wild blue yonder
So many thoughts to sit and ponder
MEN STAR RIGHT and roll it round ya go
ALLEMANDE LEFT & WEAVE
So I just sit right here and have another beer in Mexico
SWING & PROMENADE
Let the warm air
Melt these blues away

FIGURE (mainstream)
HEADS (SIDES) PROMENADE HALFWAY round
Walk in SQUARE THRU in this tourist town
FOUR HANDS you go do the RIGHT & LEFT THRU
VEER LEFT...COUPLES CIRCULATE
HALF TAG...SCOOT BACK my friend
SWING that Corner...PROMENADE again

Let the warm air
Melt these blues away

BREAK - CLOSER
SIDES FACE GRAND SQUARE
Maybe I'll settle down...get married
Or stay single and stay free
Which road I travel
Is still a mystery
ALLEMANDE & WEAVE
Why don't you sit right here and have another beer in Mexico
Let the warm air
Melt these blues away

TAG
Let the warm air...melt these blues away~!
