OPENER - CLOSER
FOUR LADIES CHAIN OVER & BACK
Every time I see your face
It reminds me of the place
CIRCLE LEFT
It reminds me of the places...we use to go
ALLEMANDE LEFT & WEAVE THE RING
But all I got is a photograph
And I realize you're not coming back
Yes I realize you're not coming back anymore

FIGURE (mainstream)
HEADS (SIDES) SQUARE THRU let's go! I thought I'd make it
Meet your Corner girl and SWING THRU...Oh the BOYS RUN RIGHT
COUPLES CIRCULATE tonight
CHAIN DOWN THE LINE turn the girl you do
PASS THE OCEAN here...ALL EIGHT CIRCULATE
The BOYS RUN RIGHT ...PROMENADE your date
As the years go by
And we grow old and grey

BREAK
SIDES FACE GRAND SQUARE
(saxophone solo)
ALLEMANDE & WEAVE!
I want you here to have and hold
As the years go by and we grow old
Yes as the years go by and we grow old and grey
