# I Am I Said (ARROW 1169) **Vocals by Dean Singleton**

Original Artist: Neil Diamond in 1971

**OPENER - CLOSER**
SIDES FACE GRAND SQUARE
L.A.'s fine…the sun shines most the time
And the feeling is "lay back"
Palm trees grow and rents are low
But you know I keep thinkin' about
Making my way back
ALLEMANDE & WEAVE
I am... I cried.....I am said I
And I am lost and I can't even say why
Leavin' me lonely still

**TAG**
Leavin' me lonely still

**FIGURE (mainstream)**
HEADS (SIDES) SQUARE THRU shake it FOUR to the outside two
Make a RIGHT HAND STAR awhile (you've found)
HEADS (SIDES) STAR by the LEFT FULL turn
RIGHT & LEFT THRU and make her smile (now turn her on around)

HALF SASHAY...TURN THRU
ALLEMANDE LEFT & PROMENADE you do
And I am lost and I can't even say why
Leavin' me lonely still

**BREAK**
SIDES FACE GRAND SQUARE
Did you ever read about a frog who dreamed of bein' a king?
And then became one
Well except for the names and a few other changes
If you talk about me
The story is the same one
ALLEMANDE & WEAVE
I am... I cried.....I am said I
And I am lost and I can't even say why
Leavin' me lonely still
