Highwayman (ARROW 1170) **Vocals by Philipp Kamm, Martin Kull, Jörg Schuttenberg & Sergej Nündel** Orginal Artist: The Highwaymen in 1985

OPENER
CIRCLE LEFT
I was a highwayman...along the coach roads I did ride
With sword and pistol by my side
The BOYS STAR RIGHT…roll it round the ring you might
ALLEMANDE LEFT & WEAVE THE RING
Many a young maid lost her baubles to my trail
Many a soldier shed his lifeblood on my blade
They finally hung me in the spring of '25
But I am still alive

FIGURE (mainstream)
HEADS (SIDES) SQUARE THRU ya get to FOUR HANDS
(DOSADO that lady in time)
SWING THRU
BOYS RUN and ya BEND THE LINE
RIGHT & LEFT THRU ya turn her and make her shine
FLUTTERWHEEL around the ring
SLIDE THRU out there
SWING a little lady & PROMENADE around the square
*They finally hung me in the spring of '25
But I am still alive

**And when the yards broke off they said that I got killed
But I am living still

***And they buried me in that great tomb that knows no sound
But I am still around

BREAK
CIRCLE LEFT
I was a sailor...I was born upon the tide
And with the sea I did abide
MEN STAR BY THE RIGHT HAND one time around
ALLEMANDE LEFT & WEAVE
I sailed a schooner 'round the horn to Mexico
I went aloft to furl the mainsail in a blow
And when the yards broke off they said that I got killed
But I am living still

CLOSER
CIRCLE LEFT
I fly a starship...across the universe divide
And when I reach the other side
BOYS STAR RIGHT…roll it round tonight
ALLEMANDE & WEAVE
I'll find a place to rest my spirit if I can
Perhaps I may become a highwayman again
Or I may simply be a single drop of rain
But I will remain

TAG
SWING
And I'll come back again...and again...and again
And again...and again...and again...and again
